Discretionary Trust Income Resolution Template & Instructions

We enclose a trustee resolution template to enable you to comply with new ATO regulations governing discretionary trust distributions.

In essence it means that unless you make a resolution by 30 June, the ATO may be able to tax all the default beneficiaries, or the trustee at 45% of the trust income.

We have attached below two templates, one for Individual Trustee’s and one for Corporate Trustee’s. These are just suggested templates, there is no only correct template the ATO accepts.

To complete the minute or resolution, please;
1. Print the relevant Template
2. Hold the meeting with a quorum
3. Complete the relevant sections
4. Sign the Bottom
5. Keep with your EOFY documents

Options for Distributions
1. Percentage Based
2. Fixed Amount Based
3. Event Based
4. Mixture

You may have the flexibility to make the declaration of intent to distribute income using one of the above options. Please read your Trust Deed or consult your lawyer if you are unsure.

Note: Should the Trust be audited and your resolution is not flexible enough for any ATO adjustments, then the Trust may be taxed at the top marginal rate. So it is suggested that you word your resolution that it is not fixed. Please refer to a sample resolution below as guidance only.
